Good morning Jane,

Do you have any briefing materials for the Administrator in regards to Tuesday's meeting with Ken Juster? Also, do you have any briefing information on G7 Environment meeting? There might be other people working on that briefing as well but I am mobile and don't have everyone's email. If you do please get that to me as soon as you can so I can get it in the Administrators binder this weekend. Thank you and have a good holiday!
